What is ECC PRIDE?

“CHANGE BEGINS WITH YOU”

ECC PRIDE is a new leadership academy modeled after El Camino College’s Statement of Values that fosters the development of visionary, innovative, and creative leaders:

People – We strive to balance the needs of our students, employees and community.

Respect – We work in a spirit of cooperation and collaboration.

Integrity – We act ethically and honestly toward our students, colleagues and community.

Diversity – We recognize and appreciate our similarities and differences.

Excellence – We aspire to deliver quality and excellence in all we do.

ECC PRIDE provides “big picture” perspectives and the knowledge which empowers people to lead and shape our district and the community college system. ECC PRIDE enables prospective leaders the opportunity to assess current leadership aptitudes and engage in opportunities to build the confidence and competence needed to be among ECC’s future leaders.

“At El Camino College, our students are our highest priority. Excellence in teaching, learning, and student services is our goal. One of the best investments the college can make in order to achieve this goal is the professional development of our staff, faculty, and administrative team.”
