UNDOCUADVOCATE TRAINING

Learn strategies that can be implemented in offices, classrooms, and the campus at large to support UNDOCUMENTED students. A focus is placed on inter-departmental collaboration with the campus Dream Resource Liaison, and the undocumented families' need for departments to break silos and synergize.

This training is eligible for racial-equity flex hours!

CLICK HERE TO REGISTER

LEARNING OUTCOMES:

- Equity beyond a status: An anthropological look at undocumented students
- Why our college's campus culture matters
- Standardizing language and terminology for a prepared California education systems Importance of Immigrant Student success for communities and for California Common pitfalls and barriers to immigrant student equity
- Interdepartmental synergy key to immigrant student success
