## COLONEL MIA L. WALSH

COLONEL/ ROLE MODEL/ LEADER

Colonel Mia L. Walsh serves in the United States Space Force as a Los Angeles Air Force Base Commander in El Segundo, where in addition to her own exemplary leadership, she devotes herself to the advancement of women professionals in STEM, in the military, and in the intelligence, security, and defense sectors. Colonel Walsh is not only an extraordinary role model for young women but also a powerful advocate for their cause. We thank her.
