Distinguished WOMEN 2024

MELE MAKALO

EDUCATOR/ VOLUNTEER/ COMMITTED

Mele Makalo works as the Student Success Coordinator for the MANA Program at El Camino College. She supports students of the Pasifika communities by helping them develop life skills, providing them with mental health support, coaching them toward academic success, and guiding them through the transfer process. Her contributions extend even beyond our campus; Ms. Makalo serves as a volunteer for a variety of youth education programs, in particular, those programs offered by the Hawthorne Teen Center. We acknowledge her commitment to the Native Hawaiian and Pacific Islander values of respect, integrity, and compassion.
