

Current Scholarship Policy allows that up to \$100 per scholarship award period (summer, fall & spring semesters of the award year) can be used for standard supplies (not required on a syllabus)

---

Standard Supplies include:

1. Basic writing instruments: pens, pencils, markers, colored pencils
2. Folders, spiral notebooks, scantrons
3. Flash drive
4. Paper: loose leaf paper, printer paper (does not include photo paper unless specified on a syllabus)
5. Printer toner cartridges (for student's personal printer only)

NOTE:

- The \$100 maximum applies to a scholarship period regardless of whether a student has multiple scholarships.
- Supplies required on a syllabus do not apply to the \$100 maximum unless the supplies are “standard supplies” as listed above.
- Osher scholarships: the \$100 maximum is divided between semesters for a maximum of \$50 per semester.
