Featherstone Field

**To be named at El Camino College Homecoming:
November 16, 2019**

The field will officially be named during a halftime celebration at the Warriors'

homecoming football game on November 16, 2019. The community is invited to join El Camino College students, faculty and staff at this special event commemorating Featherstone Field.

John Featherstone Fund for Athletic Excellence

Legendary football coach John Featherstone led the ECC Warriors football program to success for over 30 years. As a way of recognizing his many years of dedication and service to El Camino College, the field in Murdock Stadium will be named "Featherstone Field".

To further honor Coach Featherstone's accomplishments on and off the field, the new [John Featherstone Fund for Athletic Excellence](#) has been established through the ECC Foundation for those who wish to make a donation in recognition of our beloved coach. This fundraising campaign will support athletic teams at El Camino College in order to provide the best equipment, facilities and uniforms for Warrior athletes.

Foundation Board of Directors

At the July ECC Foundation Board of Directors meeting, Executive Director Andrea Sala thanked longtime board members Rachael Steven and David Kartsonis. This dynamic brother and sister duo are the youngest graduates from El Camino College, both graduating at the age of 15! Their service to the board spanned over ten years. We thank them for their dedication to El Camino and our students!

Five new board members were welcomed at the meeting including Laurie Love, Brandon Matson, Brooke Matson, Josh Rogge, and ECC student board member Lindsey Lee.
