Community Spotlight: Vaccination Site Now at El Camino College

El Camino College became an authorized LA County COVID-19 vaccination site in January 2021. Administered and staffed by **Curative**, the site has expanded to offer vaccines by appointment only to members of the public age 65 and over and to health care workers. To make an appointment, please visit [VaccinateLACounty.com](https://www.vaccinateLACounty.com) or call 833-540-0473. Additional El Camino College vaccine information can be found [here](#).

By mid February, Curative was responsible for vaccinating 280 people an hour, and 2,000 people a day. Due to the reduction of LA County vaccination availability, the release of new doses has decreased significantly and only second dose appointments are currently available. Please continue to check the Los Angeles County Department of Public Health website for updated vaccination information.

El Camino College can now play an even greater role in helping combat the COVID-19 pandemic. Additionally, ECC employees and students age 65 and over have convenient access to a vaccination site.
