Present: Mike Trevis, Dal Toruno, Patty Gebert,
Guests: Jan Caldwell, Erick Mendoza, Phil Mariano

The minutes of the November 13, 2013 meeting were approved as written.

New Business

Incidents on Campus

Yesterday, February 11 between 12:30 pm – 1:30 pm, four cars were broken into, and one car was stolen in Lot L. We have footage of the incident, and we have the suspects on the video. A couple catalytic convertors were stolen last week. We have footage. The cost to replace a catalytic converter is \$1,000.

Bulletins were distributed to other local law enforcement agencies. Our Public Relations Office was notified.

Mike gave a presentation on the Jeanne Ann Cleary Act. The federal government requires all post-secondary institutions who participate in Federal Title IV student programs to report crime stats and other different programs i.e. violence prevention programs. The information must be disseminated a timely manner. Copies of the statistic are available in the police department lobby.

Phil Mariano from Industry and Technology volunteered to serve on the Police Advisory Committee.

Time ended: 2:30 pm
