

Police Advisory Committee
April 8, 2010

Present: Mike Trevis, Arlene Bautista, Dal Toruno

The meeting began at 1:50 p.m. The minutes of the December 17, 2009 were approved as written. Because there wasn't enough committee members present to make a quorum, the meeting was an informational meeting only.

Construction Update

Construction on the new Math, Business and Allied Health Building is scheduled to start on April 2, 2010.

The grand opening for the remodeled Bookstore is April 19, 2010. The Humanities Mall Landscaping and Food Service Venue grand opening is scheduled for April 19 at 3:30 p.m.

Parking Update

Commencing Monday, April 12, the parallel parking in Lot A and the Disabled Persons parking in front of the business building will be taken out because construction for the Business/Mathematics/Applied Sciences building will begin.

Incidents on Campus

A burglar who broke into a car was caught in Lot H. Thanks to the Campus Watch Program, the burglar was apprehended.

During the Onizuka Science Fair, two people were caught carrying air soft guns. They were caught in the parking lot.

An El Camino Police Department officer apprehended someone who was wanted on a one million dollar bail.

Campus Watch

Jan Caldwell is facilitating the monthly Campus Watch Program. Because many staff/faculty and students cannot attend the monthly scheduled meetings and to make it easy to participate, Campus Police launched a campus watch website where concerns can be emailed.

Round Table

Mike Trevis

The El Camino Police Department had three employees who had new additions (babies) to their family. At the El Camino Compton Center Police Department, two officers were out on medical leave.

Plan Builder for 2010 - 2011

The following budgetary requests for the police department were submitted on Plan Builder for 2010 - 2011:

1. To continue purchasing and installing cameras
2. Replace the Code Blue phones
3. Request to purchase 3 new patrol cars
4. Request to purchase a new updated mobile terminal systems for the patrol cars
5. Purchase a new firewall system for our campus police IT system
6. Purchase 4 new bicycles, a 6-passenger electric cart, and possible a mobile light trailer for emergency lighting
6. Purchase a new key control software program
7. Purchased and install signage on campus

The meeting ended at 2:03 p.m.
