Future Agenda Items

1. Area Council has been informal and a free space to bring up an issue or to bounce off ideas with the VPSS. Not as much an informational meeting.
2. It has also been a “think tank”. The VPSS and the committee members brought up topics.
3. It brings together different areas that work together in the Student Services building.
4. Information regarding new policies or student experiences.
5. If there are ideas or topics you would like to add to the agenda, reach out to A. Guevara.

The meeting ended at 2:48 p.m.
