El Camino College offers a wide variety of fully online and hybrid Distance Education courses. The course content, course credit, cost per unit and enrollment process is the same as equivalent courses offered on campus. We strongly recommend that you review the [Distance Education webpage](#) for information on requirements, procedures, and other program materials. If this is your first time taking an online course, we strongly urge you to take the [Distance Education Readiness Assessment](#) on the [Distance Education webpage](#) to help determine if you are ready to successfully take college-level courses online.

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the Internet using Canvas) and no face-to-face meetings. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation with mandatory online participation. Specific class meeting and/or orientation requirements for each DE course are listed below. Do not miss the orientation or you may be dropped from the class. If you enroll in a DE course, you must have proficient computer skills, online communications and time management. You must have at a minimum: a computer with Internet connection, the latest Windows or Mac operating system, Internet Explorer, Firefox, or Chrome browsers, Adobe Free Reader and El Camino College Email. Additional software and plug-ins may be required by the instructor (such as Word, Publisher codes, or PowerPoint). You may also use computer labs on campus to work on DE courses.
