Welcome to the Distance Education Program at El Camino College!

The **Student Handbook for Online Courses** is designed to acquaint you with our online program, and provide you with the information you will need to be successful in your course. You will find additional information about the College in the current *El Camino College Schedule of Classes*, on the ECC website at <http://www.elcamino.edu/library/distance-ed/classscheduleandmeeting.asp>

We offer a wide variety of courses in many subject areas. Our current online course offerings are listed in the final pages of this booklet. Many courses have been approved for Distance Education delivery, but are not offered every semester. Please visit our website <http://www.elcamino.edu/library/distance-ed/coursesoffered.asp> to see a complete list of approved Distance Education courses, and <http://www.elcamino.edu/library/distance-ed/classscheduleandmeeting.asp> to see the current schedule of the courses.

Distance Education students are supported with the same services available to traditional students. Many of these services are provided to students online. For more information, please see “Student Support” on the [Distance Education website](#) or contact our office (310) 660-6453 or email at distanceed@elcamino.edu. The Distance Education Office is located in the basement of the Schauerman Library, East Wing, Lower Level, Room 76.

Distance Education Class Schedule

Many distance education courses have a first class meeting on campus. Details about the first meetings can be found in the Distance Education section of the printed schedule of classes and on the website [DE Class Schedule and Meeting Info](#).

Please note: **If you do not attend the first class meeting, you may be dropped from the course!**

Some distance education courses are offered entirely online and do not have meetings on campus. You must follow the instructions under the course listing in the Distance Education section of the printed Schedule of Classes or you may be dropped by the instructor.

Distance Education Course Schedule (For updates and changes see the Distance Education website at <http://www.elcamino.edu/library/distance-ed/classscheduleandmeeting.asp>)

Frequently Asked Questions about Distance Education at ECC

What is Distance Education?

Distance Education courses are designed for students who desire flexibility and convenience in their studies. Our courses are fully accredited and are considered equivalent to on-campus courses.

Can anyone take these classes?

Anyone who is eligible to take regular courses on campus may enroll in Distance Education courses. Consult the ECC Schedule of Classes or the college website for registration information.

How do these courses work?

Students in online courses communicate with their instructor and classmates electronically via a course website. The class may respond with questions, comments, etc.

How will I interact with my instructor?

The instructor posts such things as lectures, assignments, announcements, and other information to the site. All of our instructors use ETUDES (myetudes.org) as their course management system, and others support with a publisher provided site along with Etudes.

Will I be required to attend class meetings on campus?

This is determined by the instructor. Many instructors have on-campus meetings at the start of the semester, but some do not. Information on any meetings times on campus will be displayed in the printed schedule of classes. If you are taking a course that has a scheduled first class meeting, your instructor will give you a course syllabus at that time. Instructors teaching entirely online will have all their material on Etudes including a syllabus. The syllabus will include the course requirements and information about any on-campus sessions you will be expected to attend.

If my instructor holds a first class meeting, and plans to hold additional on-campus meetings later in the semester, will they be on the same day and at the same time as the first class meeting?

Usually, yes. We encourage our instructors to schedule all class meetings on the same day and at the same time as the first meeting. Check with the instructor of the course for more information and the distance education website.

The first class meeting conflicts with another course I want to take. What should I do?

Contact the instructor to see if an alternate date and time will be offered; otherwise, do not enroll in both courses – choose only one.

How are examinations administered?

Again, this is determined by the course instructor. Some instructors administer exams at on-campus meetings, while others administer them online. Your instructor will provide you with details.

What software and hardware do I need?

You must have at a minimum:

- **Regular, reliable Internet access.**
- **Regular, reliable access to a computer.**
 - **PCs should be running Win 2000, XP, Vista, or Windows 7. Etudes works well with all Win versions.**
 - **Macs should have OS X 10.3.X or above.**
 - **Tablets and mobile phones do not qualify as reliable computer stations.**
- **Latest version of Firefox, Google Chrome or IE on the PC, and latest version of Firefox or Google Chrome on the Mac.**
- **An Email address.**
- **Current word processing software as required by the instructor**

Some courses may have additional requirements. The course syllabus will detail additional requirements.

I don't have a computer at home. Can I still take an online course?

Yes, as long as you're sure you'll have regular access to a computer that's connected to the Internet. Some of students use their work computers, and some use the computer labs on campus with Internet access. (For example, the Computer Commons in the Library Media Technology Center – more details later.)

What kind of computer skills should I have?

In order to succeed in an online course, you must be computer literate and have experience in computer communication; including good word processing skills, familiarity with sending and receiving email, and navigating the World Wide Web. These skills are very important to know before enrolling in an online course, as online courses can be fast-paced, and some time may be needed to become accustomed to the way they work. Check the "Skills You'll Need" section later in this Handbook. It will assist you in determining whether you're ready for an online course.

I think I have the technical skills I need, but I've never taken a course like this. How do I know if this is right for me?

In order to succeed in a Distance Education course, time management skills, self-motivation and the ability to work independently are important. Equally importantly, having strong reading and writing skills will allow you to succeed in an online course. (See the "Tips for Success" section later in this Handbook.)

Distance Education courses are every bit as challenging as on-campus courses. In fact, surveys we've conducted reveal that some students find Distance Education courses *more* difficult.

Will I have to be online at a particular time?

Some instructors require students to be online at a particular time to take quizzes, exams, office hours, or to participate in chat sessions. Mostly, the course syllabus will outline a schedule for work to be submitted over the course of the semester. Contact your instructor for details.

How do I contact the instructor of the course?

It's very important to contact the instructor as soon as possible. Please print the course syllabus at the beginning of the semester, as it contains information on the instructor's preferred methods of contact. Our full-time instructors hold weekly office hours, and by appointment for in-person meetings. If you need to contact them by phone or by email, please visit Faculty Directory: <http://www.elcamino.edu/uportal/facsched/index.asp> and Instructor Information: <http://www.elcamino.edu/library/distance-ed/instructorinformation.asp> for more information.

What do I do if I need help with course materials?

For help with the course material, check out the Tutoring Program administered by the ECC Learning Resources Center (LRC). Tutors help students prepare for tests, learn new concepts, improve study techniques, and answer questions about assignments. Free tutoring for ECC students is available each semester. All LRC tutors are highly trained and certified. Visit the Tutoring website for more information: <http://www.elcamino.edu/library/lrc/tutoring/index.asp>

What do I do if I can't access my course online?

Here are a few reasons why course access is not possible:

- You are not officially enrolled in the course.
- You added the course, but have not been processed by admissions.
- The course you signed up for starts later in the semester.
- You changed your password and forgot it.
- You have been blocked by the instructor.

If you still cannot access your course, after resetting your password, waiting for your add to be processed, or registering for the course, please email or call the instructor and the Distance Education Office. Contact the Distance Education Office at DistanceEd@elcamino.edu or telephone 310-660-6453. We are here to help you!

Will I have to buy books for the course?

Yes. Textbooks and other materials you'll need for your course are available in the El Camino College Bookstore. The El Camino College Bookstore is now open online 24/7. They can ship your books to your home or you can pick them up in the store. Visit the online store at <http://elcamino.collegestoreonline.com/>.

Does Distance Education courses transfer to other schools?

Always check with a counselor at the school you plan to transfer to be sure the courses will be accepted, regardless of modality. School transcripts do not specify that the course was delivered in a Distance Education format.

What if I find I can't continue in my course? Can I withdraw from it?

Yes, you can withdraw from your classes at any time. Withdrawing from a course can affect not only your grade point average, but also how many times you can retake the course. During the semester there are deadlines that affect the different types of withdrawals from a course, but in order to receive a "W" (Withdrawal), you must withdraw on or before the "Last Day to Drop with a 'W' deadline. Consult the current ECC Schedule of Classes or visit the ECC Web-Services

site (<https://portal.elcamino.edu/portal/main.html>) for more information. Please note that dropping a course is your responsibility. Your instructor is not responsible for dropping you from your course!

I have more questions! Whom can I talk to?

Contact the Distance Education Office at:

online: <http://www.elcamino.edu/library/distance-ed/index.asp>

email: DistanceEd@elcamino.edu

telephone: 310-660-6453.

ECC and ECC's Community Education program offer a variety of credit and "not-for-credit" courses to assist in improving your computer and Internet skills.

Computers on Campus

The Computer Commons is ECC's central computer center serving students of all academic programs. For more information about the Center:

- Computer Commons - Library Media Technology Center
- Schauerman Library, East Basement, 310.660.3593 x6715
- Website <http://www.elcamino.edu/Library/labs>

Text Materials on Reserve

Every effort is made to place required text materials for online courses on reserve in the Library (Periodicals/Reserve Dept.) for your use. An ECC Photo ID is necessary to use; see the Library Circulation Desk if you haven't previously used your Photo ID to borrow library materials. These materials may only be used in the library – they cannot be checked out. Visit the

following links for more information: <http://eres.elcamino.edu/eres/default.aspx> and http://www.elcamino.edu/library/library_ser/index.asp

Tips from the Librarian

If Distance Education students are close enough to get to campus, they are advised to get a student ID which acts as their library card. Students can use many online periodical databases; however, you need the ID card to log on. Students with ID can choose any database found on this link: http://www.elcamino.edu/library/library_ser/liblinks/index.aspU31T Students can also find useful resources such as Subject guides, MLA citation help, Ask-A-Librarian online reference help, E-Res, and more here: http://www.elcamino.edu/library/library_ser/.

Accessibility

El Camino College is committed to providing all students equal access to our program. In accordance with the American Disabilities Act, Distance Education courses, materials, and resources must be accessible to students with disabilities. Please contact the Special Resources Center (<http://www.elcamino.edu/academics/src/>) or the Distance Education office for information about alternative formats.

Communication

It is very important that you communicate with your instructor and with your classmates. Log on to your course site regularly, read the postings, and contribute your own ideas and opinions.

Don't Fall Behind

Since you do not see your instructor as often as you would in a traditional on-campus class, it can be very tempting to procrastinate. Don't fall prey to this! Log on regularly and complete your readings and assignments in a timely manner.

Speak up if you are having problems

If you are having technical difficulties or problems understanding something in the course, you need to let your instructor know. And, if you feel comfortable doing so, post your question/concern for others to see. That way, if your classmates are having the same trouble they will benefit too.

Be Courteous

Be polite to your classmates and respectful of their opinions. Keep in mind that meanings can be misinterpreted in an online environment, so word your postings carefully.

How to Access your Online Courses

The online courses at El Camino College use the ETUDES Course Management System as a delivery method. Some instructors may supplement with other systems, such as book publisher websites. Students need to check the course syllabus or if available on the Distance Education website (<http://www.elcamino.edu/distanceEd/index.asp>) to determine what systems are being used in their online course.

ETUDES Course Management System

At El Camino College all of our online courses are delivered using the ETUDES Course Management System. ETUDES stands for *Easy To Use Distance Education Software*. Within Etudes, your instructor has created and managed course content, performance assessments, and can communicate with students. Also, you will see announcements, the course syllabus, class discussions, assignments and grades posted.

ETUDES Login Instructions

Once you have officially registered for an online course class, you will be able to log into Etudes follow the steps below. Please note, you will not be able to log in to the course site until one week or the day the semester starts.

STEP 1: Go to <https://myetudes.org/>

When you log in for the first time, you will be required to enter your User ID and your password.

STEP 2: Your User ID is: the same as your User ID used to login to *MyECC* . The Admissions office gives each student enrolled in El Camino College a Student Identification (ID) number.

EXAMPLE: Albert Einstein is enrolled in an online ETUDES class and has the following User ID: albert_einstein [all lower case]

STEP 3: First time logging in default Password is the month and date of birth included in your ECC record.

EXAMPLE: Albert Einstein's birth date is March 25
His password is: 0325

*Some ECC student ID numbers have been adjusted to accommodate multiple persons with the same name. If step 2 does not work, please visit this site to verify your ID: <https://secure.elcamino.edu/portal/logininfo/main.aspx?item=forgot>

STEP 4: Password after you log in:

- If this is the first time you are using Etudes, you will be prompted to change your password to something that's at least 8 characters long with at least one capital letter and one number.
- If this is not our first time using Etudes, please recall that you were asked to change your password to something that's at least 8 characters long with at least one capital letter and one number.

IMPORTANT: Starting on the first day of the semester (and after waiting 24 hours after you registered for the class), log in to your class by going to the ETUDES portal. (<https://myetudes.org>).

REMEMBER TO BOOKMARK THIS SITE TO ACCESS YOUR ONLINE CLASS QUICKLY!!

REMEMBER:

WRITE DOWN YOUR USER ID AND PASSWORD, AND STORE THEM IN A SAFE PLACE FOR FUTURE REFERENCE.

ETUDES Login Tips

Reasons why you may not be able to log on:

- Classes have not started yet. If the term has not started, this explains why you can't log on or access your class site. Typically, registration data is loaded on the first day of the semester.
- You are not a new user of the system, yet you are attempting to log on with the default password. Your password is not changed from term to term. Please recall that you were asked to change your password to something that's at least 8 characters long with at least one capital and one number.
- You have requested to add a class, but you are not officially enrolled in the Registrar's Office. You will be able to log into the ETUDES system the morning after you are officially enrolled in Admissions and entered into the system.
- You are entering invalid login information.
- You are attempting to log on from an unsupported browser, such as AOL or MSN (see [system requirements](#) for information).
- You forgot your password or have the CAPS lock key on. You may request to have your password [reset](#).
- If your class is over and your instructor has disabled the site, you can no longer see a tab for the course.

- If you have been dropped from the course, you'll no longer have a tab to the class or access to Etudes.

<p style="text-align: center;">ETUDES Technical Requirements Computer and Internet Connectivity (PC and Mac)</p>

General System Requirements:

- Screen resolution set to 1024 X 768.
- PCs should be running Win 2000 or XP, Vista, or Windows 7. Etudes works well with all Win versions.
- Macs should have OS X 10.3.X or above.
- System should have at least 1G of RAM (for faculty/authors, 1G is preferred).
- 56K minimum is required. DSL or cable modem strongly advised.

You must have regular, reliable Internet access for satisfactory performance. Many courses require high-speed connections for interactive multimedia such as PowerPoint, Digital Video, etc. These requirements should also be stated in the course syllabus. If your connectivity is slower than a 56K modem, you might experience frustration with slow response.

Browsers for the PC

The recommended web browsers for PC users are **Firefox and Google Chrome**. **Internet Explorer** is also supported on the PC

Both browsers are available as free downloads below:

Get Firefox: <http://www.mozilla.com/en-US/firefox/all.html>

Get Google Chrome: <https://www.google.com/intl/en/chrome/browser/>

Get IE: <http://www.microsoft.com/windows/internet-explorer/ie7/>

** Note: Netscape, Opera, and any other browsers that are not listed here are not recommended.*

Browsers for the Mac

For best experience with Etudes, use the latest version of Firefox. The latest version of Google Chrome and Safari are also supported. Mac users must be running OSX 10.3 or above. For more information, see: Mac Supported Browsers. Tablets do not fully support Etudes.

Notes:

- Internet Explorer and Safari are not supported browsers for the Mac. Safari works well for viewing materials, but you won't be able to use the editor for items that need to communicate with the system, such as discussions, assignments, etc.

- Many of our ETUDES users use Camino browser successfully. We do not conduct QA testing with Camino, however, and thus don't recommend it, as we cannot guarantee optimal performance across all areas of the ETUDES software.
- Netscape, Opera, and other browsers that are NOT listed here are not recommended.

Browser Instructions for AOL and CompuServe (PC and Mac)

AOL and CompuServe (AOL/CS) software includes an integrated browser-like feature that does not provide full access to the Internet. Students MUST minimize the AOL/CS Browser once their Internet connection is established and open one of the supported browsers. Do NOT attempt to use the AOL/CS versions of Netscape or Internet Explorer.

You must download a separate, complete, independent version of Internet Explorer, Firefox, or Google Chrome. This will alleviate frustration associated with many known problems caused by the AOL/CS quasi-browser and its inherent inability to access to a significant percent of the World Wide Web.

IMPORTANT note for AOL users!

You cannot use the version of Internet Explorer that is provided with your AOL Account...Instead you must download and install a "real version" of Internet Explorer or Firefox. AOL will still be your "Internet Service Provider" or ISP.

There are three ways to use an External Browser while signed on to AOL:

Method One:

1. Sign on to AOL as your connection.
2. Minimize the AOL screen.
3. Launch Internet Explorer or some other non-AOL browser from your computer's desktop.

Method Two:

1. Sign on to AOL as your connection.
2. Launch Internet Explorer via Start > Programs > Internet Explorer (or other browser's name).

Method Three:

1. Sign on to AOL as your connection.
2. Launch Internet Explorer (or some other non-AOL browser) from the toolbar next to your Start button (usually at the bottom left of your screen).

Your Computer's Cache

You must configure your browser's cache correctly for ETUDES to work properly. 99% of problems are due to incorrect browser cache settings. For instructions as to how to do this on your computer, see the link below.

◆ [PC Browser Cache and Firefox Update Settings](#)

The way you have configured **Cookies**, **JavaScript**, and any **Pop-Up Blocking Software** on your computer may affect the performance of ETUDES. For instructions as to how to configure these items on your computer, see the link below.

◆ [Configure Cookies, JavaScript and Pop-Up Blocker](#)

1. Enable Java & JavaScript

You will need to perform the following adjustments to optimize your browser for use with ETUDES:

Internet Explorer

1. From the Menu, select Tools
2. Select Internet Options >> Security >> Custom level
3. Scroll down to Scripting (near the bottom of the list)
4. Select 'enable' for Active Scripting
5. Click OK
6. Continue on to Step 2: Enable Cookies as listed below

Firefox - PC

1. From the Tools menu, select Options
2. Click on the Content icon
3. Make sure the Enable Java and Enable JavaScript checkboxes are selected
4. Be sure Block pop-up windows is **NOT** checked
5. Continue on to Step 2: Enable Cookies as listed below

Firefox - Mac

1. From the Firefox menu, select Preferences
2. Click on the Content icon
3. Make sure the Enable Java and Enable JavaScript checkboxes are selected
4. Be sure Block pop-up windows is **NOT** checked
5. Continue on to Step 2: Enable Cookies as listed below

2. Enable Cookies

You will need to enable cookies in order to log in to ETUDES and maintain sessions (not get logged out).

Internet Explorer

1. Select "Internet Options" from the Tools menu
2. Click on the "Privacy" tab
3. Manually slide the bar down to "Medium" (3rd up from bottom) under "Settings"
4. Click "OK"

Firefox - PC

1. From the Tools menu, select Options
2. Click on the Privacy icon
3. Check "Accept cookies from sites"
4. Click "OK"

Firefox - Mac

1. From the Firefox menu, select Preferences
2. Click on the Privacy icon
3. Check "Accept cookies from sites"
4. Close window

3. Disable Pop-Up Blocking for ETUDES

While using ETUDES, you may have to download and open files. If you are using pop-up blocking software, you may not be able to do this. You will need to disable pop-up blocking. Pop-up blockers work in the background while you browse the internet. When they detect a pop-up window that may be an unwanted advertisement, they automatically close the window. This can prevent ETUDES from performing properly.

Depending on your pop-up blocking software, you may have to set the ETUDES URL (<https://myetudes.org/portal>) as an allowed site,

OR you may need to disable the pop-up blocker while using ETUDES.

To disable pop-up blockers for ETUDES:

a) Search your hard drive for any software with "pop-up" in the name. Disable it or set the ETUDES URL (<https://myetudes.org/portal>) as an **allowed site**. Examples of popular pop-up blocking applications include:

- Pop-Up Stopper
- Pop-Up Defender
- Pop-Up Zapper

b) Pop-up blocking functions are included in some anti-virus, internet security, personal firewall, and browser programs. Disable the relevant setting in the program or set the ETUDES URL (<https://myetudes.org/portal>) as an allowed site. If you don't set the latter, you may not be able to open documents or see instructions that get loaded in pop-up windows.

For more information regarding programs that include pop-ups, visit the ETUDES System Requirements at http://etudes.org/gateway/Info_BrowserTuneUp.htm.

How to Add an Online Class

You **must get approval from the instructor** to add a class. There are four (4) ways to contact the instructor:

1. **Attend the first class meeting (orientation) that is held on-campus.** In most cases this will be the only **face-to-face meeting** you will have with your instructor. If space is available, the instructor will give you a **code** and instructions to login to the *MyECC* site for registration. **It is the student's responsibility to follow the directions to add the class.** For details, see below.
2. **Contact the instructor by email.** Many instructors prefer contact by email, especially if the course **does not have any face-to-face meetings**. You can find contact information for the instructor by going to the Distance Education web-page at <http://www.elcamino.edu/library/distance-ed/> and clicking on "**Our Faculty,**" located in the "**Distance Education Quick Links**" box on the right hand side of the home page. DE faculty members are listed in alphabetical order.
3. **Contact the instructor by telephone.** This can sometimes be challenging. Many of our faculty members are full-time instructors, and have offices on campus. The start of a semester can be very busy, and it is difficult for faculty to respond to a voicemail in a timely manner. **Telephone information** can also be found on the **Distance Education website** at <http://www.elcamino.edu/library/distance-ed/>. Click on "**Our Faculty.**"
4. **Contact the instructor in person.** You can try to catch full-time instructors in their offices. You can contact their Division office to acquire their office schedule. Please remember that at the start of a semester, instructors are busy preparing for the new semester and **may not be in their office.**

Online Add Procedure: If you have met all the pre-requisites, have no time conflicts, have not had excessive repeats of the course, and/or do not owe fees, you will be added to the section. If you have questions about pre-requisites, consult the class schedule, school catalog, or speak with a counselor. Before adding the new section, drop the classes you are no longer taking. If you have a time conflict (e.g. a class you are enrolled in overlaps by one minute or more with a course you are trying to add), you will not be able to add the new class and no one is able to override that requirement. *Note: the permission number only works for one student.*

Please use the permission number the instructor has given you and follow the steps below to register for your section.

1. Go to: <http://myecc.elcamino.edu>.
2. Login in with your username and password.
3. Under WebAdvisor, click on “Registration”.
4. Click on “Online Add with Faculty Permission”.
5. You will see the screen below and be asked to enter the two sets of numbers on the sticker.

Online Add (Faculty Approval)

Enter the section's reference number (6 digits)

Enter the authorization code (5 digits)

SUBMIT

COURSE: MATH-105-0100
TERM: 2009/WI
SECTION REF #: 116683
AUTHORIZATION #: 01685

6. Click on the “SUBMIT” button.
7. Once you successfully add the section, use the “Make a Payment” link at the left of the screen in the “Financial Information” section and pay the amount due.

You are now added to the class and you do not need to go to the Admissions Office. If you encounter problems adding online, write down the error message you receive, if any, and please take the permission slip to the Admissions Office. If you cannot come to campus, please email your instructor with the error information.

Deadline to Add: **You will not be able to add your class before the semester starts or after the add deadline.** The deadline for regular term courses is published in the class schedule. Ask your instructor for the short term add deadline or you may examine the Short Term Class Calendar available in the Admissions Office or in the Academic Division offices.

High School Students

High school students follow the same process outlined above. Please review the information on the admission process for high school students located on the El Camino College website at <http://www.elcamino.edu/studentervices/highschool/>

Distance Education courses are ideal for students who are looking for a convenient way to take courses. A wide variety of online and hybrid courses are available. The course content, course credit, cost per unit and enrollment process is the same as equivalent courses offered on campus. We strongly recommended that you review the [DE Web page](#) for information on requirements, procedures, and other program materials. If this is your first time taking an online course, we strongly urge you to take the [DE Readiness Assessment](#) on the [DE Web page](#) to help determine if you are ready to successfully take college-level courses online.

(310-660-6453)

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the Internet using Etudes) and require you to complete an online course orientation, email the instructor before class starts or attend an on-campus course orientation. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation. Specific class meeting and/or orientation requirement for each DE course are listed below and in the DE Class Schedule and Meeting Information on the DE website. Do not miss the orientation or you may be dropped from the class. If you enroll in a DE course, you must be proficient in computer, online communications and time management. A satisfactory score on the DE Readiness Assessment in the DE website, previous satisfactory completion of an online course, or completion or concurrent enrollment in Academic Strategies 60 is highly recommended. You must have at a minimum: computer with Internet connection, Windows XP or Mac OSX, Internet Explorer 8 or Firefox 9, Adobe Reader 8 and El Camino College Email. Additional software and plug-ins may be required by the instructor (such as Word, Flash). You may also use computer labs on campus to work on DE courses.

- AB130 allows AB540 students to apply for institutional aid.
- AB131 allows AB540 students to apply for state based financial aid.

Health services are provided for students 18 years of age or older who pay the mandatory health fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for health services.

College students under 18 years of age subject to other admissions criteria must pay the health fee and submit a parental or guardian consent form to receive health services.

Children, including children of students, are not permitted in the Student Health Center.

California Residency

California State Assembly Bill 540 (AB540) allows any student who meets all of the following requirements to be exempt from paying non-resident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. The student must have attended a high school (public or private) in California for three or more years or have attained credits equivalent to three or more years of high school coursework and a combination of three or more years at a California elementary or secondary school **and**

2. The student must have graduated from a California high school (public or private) or attained the equivalent (e.g., General Educational Development - GED or California High School Proficiency Exam) prior to the start of the term at El Camino College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide an official high school transcript that clearly shows attendance in all semesters and the date of high school graduation. If the student attended more than one California high school, then official transcripts from all high schools must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided. Attendance at an adult school does not qualify.

Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempted from the payment of non-resident tuition but will not be classified as "California Residents." Students will continue to be classified as "Nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

Registration Procedure

Each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions and Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on **MyECC**.

Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule.

Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

Schedule of Classes

Before the registration period for each semester or session, the college publishes a Schedule of Classes listing the courses offered and general registration procedures. Schedules are available online at www.elcamino.edu/admissions/schedule.asp and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

Priority Registration

In compliance with Section 58108 of Title 5, California Administrative Code, priority registration will be implemented as follows:

Registration Time Allowance

A. All students may register on or after their scheduled registration appointment time, but not before.

B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District's policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB540, missing data,

etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.

Registration Priorities

During registration periods, the following registration priority shall be followed:

Priority Level 1:

Eligible students in veterans, foster youth, DSPS/SRC, EOPS, and CalWORKs groups

Priority Level 2:

Eligible students in Title 5 sanctioned groups (none at this time)

Priority Level 3:

Eligible students in District-designated groups

Priority Level 4:

Eligible in-District new students

Priority Level 5:

Eligible continuing students

Priority Level 6:

Eligible non-District new or returning students

Priority Level 7:

Other new or returning students

Priority Level 8:

K-12 concurrently enrolled students

Priority Level 9:

Continuing students on probation for two consecutive terms and/or continuing students with 100 or more earned units

Priority Level 10:

Reinstated dismissed students

Students within a continuing student priority level will be prioritized by units earned at or through El Camino College and/or El Camino College Compton Center. The more units earned the higher priority up to an earned unit limit of 100. Continuing students with the same earned unit value will be prioritized randomly.

Students within a new/returning student priority level will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.

Eligible new students in Priority Levels 1, 2,

3, 4, and 6 must have completed orientation, assessment, and developed an educational plan. Students should contact Veteran Services, Foster Youth, DSPS, EOPS, CalWORKs or one of the District-designated groups to receive information on qualifications for those programs and eligibility for priority registration.

Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College and ECC Compton Center constitutes enrollment in the most recent previous semester per academic year, excluding summer sessions. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

For the complete El Camino College Administrative Procedure 5055, Registration Priorities, please go to www.elcamino.edu/administration/board/boarddocs/5055%20Enrollment%20Priorities.pdf.

Unit Limitations

The student's program of studies will vary according to individual need and objectives. There is no minimum but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study summer session is 10 units if at least one unit is in physical education. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling Services Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade point average and an overall grade point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students would limit their study program to seven units or less each semester.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition,

students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the Family Educational Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions and Records Office for any information regarding your rights under the Act.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and purchasing a college catalog from the ECC Bookstore. It is also available online.

Eleventh and 12th grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or the start of a session in summer. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per FERPA (Family Educational Rights and Privacy Act) any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, fol-

lowed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Equivalent Courses

www.elcamino.edu/admissions/catalog.asp

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in Drop-In Counseling or the appropriate academic division office.

Transcripts

Students who plan to attend under veterans or Social Security benefits; receive academic advisement to become matriculated; or need to have coursework at other colleges reviewed for prerequisite clearance, must request college transcripts from all schools attended be sent to the El Camino College Admissions and Records Office.

Students who plan to graduate from El Camino College with a degree or certificate and wish to have course work taken at other colleges considered for graduation must request official transcripts to be mailed from the other colleges to the El Camino College Records Office. Hand-carried transcripts from the student or any other party will not be accepted.

Ordering transcripts is easy. Go online 24/7 to www.elcamino.edu/admissions/transcripts.asp and follow the instructions.

The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis for \$10.

Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions and Records Office or Counseling Center.

Academic Dishonesty violates El Camino College's Administrative Procedure 5500 Standards of Student Conduct

- Any other action that is not an honest reflection of a student's own academic work.
- Other forms of dishonesty, including, but not limited to, forgery or attempted forgery of any academic record; alteration or misuse of college documents, records or identifica-

tion; or knowingly furnishing false information to the District.

- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner that encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520.
3. The instructor may recommend suspension or expulsion of the student from the college as stipulated in AP 5520. This recommendation must be in accordance with El Camino College's Student Discipline Procedures.
4. A Student Conduct Incident Report is filled out by the instructor and copies are submitted to the division dean and Director of Student Development. The Director of Student Development will keep this form in the student file and take any additional disciplinary action if deemed appropriate. Should there be record of multiple incidents of academic dishonesty or other misconduct committed by a student, he or she may be suspended from all classes and campus for up to two years.

Photo ID Card

All students are required to obtain a free El Camino College identification card. These cards are available in the Student Activities Center. These cards serve as photo identification, and are required for Library services, campus activities, computer labs, and to verify attendance in certain classes/workshops.

ASB Student Discounts & Student Activities Fee

All students who pay the Student Activities Fee will receive the Auxiliary Services Board (ASB) sticker for their photo ID cards at the Cashier's Office.

The ASB sticker offers a variety of discounts including discount movie theater and amusement park tickets. Movie theater and amusement park discount tickets can be purchased at the Marsee Auditorium Ticket Office during its regular operating hours. On-campus benefits include access to Student Activities Center events, free admission to all campus athletic events and a discount on tickets at district-sponsored Center for the Arts events.

Funds from the Student Activities Fee help support co-curricular activities of the college. Such activities include but are not limited to student government, clubs, the Union newspaper, plays, athletic teams and the debate team.

The \$10 Student Activities Fee will be collected during primary terms (fall and spring). A student may decline the Student Activities Fee when enrolling for classes. If the student does not decline during enrollment, the Student Activities Fee will be assessed and collected. The Student Activities Fee is non-refundable after the second week of the semester.

Distance Education courses are ideal for students who are looking for a convenient way to take courses. A wide variety of online and hybrid courses are available. The course content, course credit, cost per unit and enrollment process is the same as equivalent courses offered on campus. We strongly recommended that you review the [DE Web page](#) for information on requirements, procedures, and other program materials. If this is your first time taking an online course, we strongly urge you to take the [DE Readiness Assessment](#) on the [DE Web page](#) to help determine if you are ready to successfully take college-level courses online.

Distance Education

(310-660-6453)

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the Internet using Etudes) and require you to complete an online course orientation, email the instructor before class starts or attend an on-campus course orientation. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation. Specific class meeting and/or orientation requirement for each DE course are listed below and in the DE Class Schedule and Meeting Information on the DE website. Do not miss the orientation or you may be dropped from the class. If you enroll in a DE course, you must be proficient in computer, online communications and time management. A satisfactory score on the DE Readiness Assessment in the DE website, previous satisfactory completion of an online course, or completion or concurrent enrollment in Academic Strategies 60 is highly recommended. You must have at a minimum: computer with Internet connection, Windows XP or Mac OSX, Internet Explorer 8 or Firefox 9, Adobe Reader 8 and El Camino College Email. Additional software and plug-ins may be required by the instructor (such as Word, Flash). You may also use computer labs on campus to work on DE courses.

Transfer-Level Mathematics

Math 80 serves as a prerequisite for all transfer-level mathematics courses. Students of science, computer science, engineering, mathematics and business should take Math 80.

Math 67 or Math 73 may be used as the prerequisite for Math 110, 111, 115, 120, 140 and 150. Science, computer science, engineering, mathematics and business should not take Math 67 or Math 73.

Math 67 is not appropriate for nursing students planning to take Chem 1A.

Some transfer-level courses also require Math 60, which can be waived with evidence of successful completion of High School Geometry.

Math 80 and Math 73 satisfy the associate degree mathematics requirement. Students passing Math 67 need to take a transfer-level mathematics course in order to satisfy the associate degree mathematics requirement.
