

LIBRARY REFERENCE PHILOSOPHY & MISSION STATEMENT

The primary objectives of the El Camino College Library's Reference services and resources are to support student learning and to promote student success.

The department focuses on the students' and faculty's diverse needs, with an emphasis on utilizing research resources and services reflective of current instructional methodologies/pedagogic trends and technologies.

The reference librarians are committed to developing the abilities of students to find, use, and evaluate information while integrating active learning skills that will benefit life-long learning.
