Important Safety Reminders

- Have keys in hand before walking to your car
- Always be aware of your surroundings – remember the use of electronic music listening devices and cell phones may significantly distract you
- Don't walk alone – use the buddy system
- In an emergency, dial 9-1-1 from a landline phone, 310-660-3100 from a cell phone, or use a campus "Code Blue" emergency phone
- Night students and faculty are encouraged to park in the same general area as other faculty or students with night classes in their building; this provides the opportunity for a group of students and faculty to walk to their cars after dark
- Immediately report any suspicious activity to campus police
