

CAMPUS ADVISORY

Saturday, March 19, 2016

At approximately 2 p.m. Friday, March 18, a student reported to the El Camino College Police Department that at about 10 a.m. a man followed her on foot to campus from Redondo Beach Boulevard and Yukon Avenue, trying to talk to her. When she got to the front of Marsee Auditorium, he grabbed her by the wrist and tried to kiss her. She pulled away and he left the area.

The suspect is described as an African-American male in his mid-20s, approximately 5 feet 8 inches tall, with a thin, muscular build. He had a thin goatee, medium length black braids, and was last seen wearing a green bandana and a silver chain necklace.

Important Safety Reminders

- Have keys in hand before walking to your car
- Always be aware of your surroundings – remember the use of electronic music listening devices and cell phones may significantly distract you
- Don't walk alone – use the buddy system
- In an emergency, dial 9-1-1 from a landline phone, 310-660-3100 from a cell phone, or use a campus "Code Blue" emergency phone
- Night students and faculty are encouraged to park in the same general area as other faculty or students with night classes in their building; this provides the opportunity for a group of students and faculty to walk to their cars after dark
- Immediately report any suspicious activity to campus police
