Keith Curry, Ed.D., Chief Executive Officer  
Compton Community College District  
1111 E. Artesia Blvd.  
Compton, CA 90221

Dear Dr. Curry,

FCMAT's preliminary review of the draft ninth progress report for the Compton Community College District indicates that no individual standard rates less than a four, and the average rating of the standards in each of the three operational areas reviewed is six or greater. Please note that the draft report is not yet complete and may be subject to change pending the issuance of the final report.

At this time FCMAT anticipates that the final report will be issued on August 13, 2015 and, per your request, we plan to present the report at the district's Board of Trustees meeting on August 18, 2015.

Please contact me if you have any questions or wish to discuss these issues further.

Sincerely,

Diane Branham  
Chief Management Analyst
