

The background of the entire page is a vibrant, cartoon-style illustration of an underwater scene. It features various types of fish, including orange and white striped tangs in the upper left, yellow and black striped tangs in the upper right, and several black and white striped surgeonfish in the lower right. In the lower left, there are orange clownfish swimming near a sandy seabed with purple and pink coral. The water is a clear, light blue with some faint green seaweed or coral stalks visible on the left side.
