YOU NEED TO KNOW THESE THINGS ABOUT WORKSHOPS

* You will lose your priority registration if you do not attend at least one workshop every semester.

* Write down each workshop you attend on the HTP Completion Form in your HTP Student Handbook. You will receive credit only for workshops that you have recorded accurately.

* You do not need to sign up for workshops in advance.

* Arrive at the workshop on time, according to the clock in the workshop room. If you are late, the door will be locked and you will not be admitted.

* Stay for the full time (50 minutes). You cannot leave the room and then return.

* Sign the attendance sheet AFTER the workshop is over. Print legibly. If your name or ID cannot be read you will not receive credit.

* No food or beverages are allowed in workshop rooms.

* Turn off all electronic devices

* Listen to the speaker. No talking, texting, reading, studying or disturbing others.

* If we add another workshop, we will email you.

* Transfer Center workshops are NOT HTP workshops.

* You may attend more than one workshop in a single semester. Every semester you must attend at least one, until you have completed four.

* You should receive an email message from the HTP about once a week during the fall and spring semesters. Emails are sent to your ECC email address only, and copies are printed and placed in a binder on the HTP counter.
