Honors Transfer Program Spring 2020 Workshop Schedule

To keep your priority registration, you must attend at least one of these workshops before the deadline. See the back of this page for details.

YOU NEED TO KNOW THESE THINGS ABOUT WORKSHOPS

- * Workshop dates change during the semester. The weekly emails contain the most accurate information.
- * You will lose your priority registration if you do not attend **at least one workshop every semester.**
- * Write down each workshop you attend on the HTP Completion Form in your HTP Student Handbook. You will receive credit only for workshops that you have recorded accurately.
- * You do not need to sign up for workshops in advance.
- * Arrive at the workshop on time, according to the clock in the workshop room. If you are late, the door will be locked and **you will not be admitted.**
- * Stay for the full time (50 minutes). You cannot leave the room and then return.
- * Sign the attendance sheet AFTER the workshop is over. **Print legibly.** If your name or ID cannot be read you will not receive credit.
- * No food or beverages are allowed in workshop rooms.
- * Turn off all electronic devices
- * Listen to the speaker. No talking, texting, reading, studying or disturbing others.
- * If we add another workshop, we will email you.
- * Transfer Center workshops are **NOT** HTP workshops.
- * You may attend more than one workshop in a single semester. Every semester you must attend at least one, until you have completed four.
