El Camino College

Class of 2021 Commencement

"Boundless Spirit"

James T. Russell, 2014

*Created by internationally renowned sculptor and
El Camino College alumnus James T. Russell,
"Boundless Spirit" celebrates the spirit and power of
teaching and learning. The sculpture's stainless steel curves
are on display on the eastern edge of campus, along
Crenshaw Boulevard.*

at Four o'clock in the Afternoon

ABOUT EL CAMINO COLLEGE

El Camino College offered its first classes in 1947 with fewer than 500 students and 30 faculty members. Today El Camino College boasts more than 33,000 students taught by nearly 1,000 full- and part-time faculty. Through the college's comprehensive academic and career technical programs, its outstanding athletics, and its fine arts programs, there are few residents of our community who cannot claim some association with El Camino College over the past 74 years!

Providing quality educational opportunities for every segment of the community has always been the college's primary mission. With 2,500 different classes offered in more than 180 degree or certificate programs, El Camino College has something for everyone.

Since our founding, hundreds of thousands of students have completed their transfer or career goals at El Camino College. Businesses are able to meet today's demand for excellence through their workforce and products via customized classes provided by El Camino College's Center for Applied Competitive Technologies, Workplace Learning Resource Center, and Small Business Development Center.

The success El Camino College has enjoyed for 74 years is in large part due to dedicated community involvement and industry partnerships. In planning for the future, El Camino College is anticipating the needs of our diverse and complex communities. The college's ability to respond to those needs—developing the technology and the infrastructure to provide leadership to our community for the next 74 years—will ensure we maintain our place as one of California's premier community colleges.
