Option 1: Complete the set of courses specified after the heading, "El Camino College Major Requirements" in one major field section shown in the El Camino College catalog.

Option 2: **Complete the set of courses specified for an accredited four-year institution by selecting one of the following options:

- a. Complete courses equivalent to those shown as requirements in the transfer institution catalog, insofar as such courses are offered at El Camino College.
- b. Complete all required transfer major requirements on the guide sheets in the Counseling Division or all required courses on www.assist.org for the public universities not listed on the guide sheet.

**If the courses in preparation for the major at the transfer institution do not total a minimum of 18 units, students must complete the El Camino College major requirements in the catalog in the area of interest and will be granted the Associate Degree in the El Camino College major.

SECTION C: ELECTIVES:

El Camino College Major: Electives are courses used to reach the total of 60 degree applicable units. If requirements A and B do not total 60 units, then additional units from A and/or B or other degree applicable courses should be taken to bring the total up to 60 units. Students may count up to 6 units of physical education as elective credit for graduation.

Transfer Major: If requirements A and B do not total 60 units, then additional units from A and/or B or other degree applicable courses should be taken to bring the total up to 60 units. (Students who decide to transfer to a CSU or UC, electives must be chosen from transferable courses. Students may only count 4 PE units for the UC and 6 PE units for CSU as transfer credit).

CATALOG RIGHTS: Students who have maintained continuous enrollment may choose to graduate under the catalog requirements in effect (a.) at the time enrollment began at El Camino College or (b.) in effect at the time of graduation from El Camino College. Continuous enrollment is defined as enrollment at El Camino College at least one semester (fall or spring), excluding summer and winter session, each academic year; courses must be noted on the transcript with a letter grade, a W, or a P/NP designation on the transcript; The catalog year used for major requirements must correspond to the general education pattern in effect for the same year.

RESIDENCY REQUIREMENT: A minimum of 12-degree applicable units from general education and/or major must be successfully completed at El Camino College to receive the Associate Degree.

SECOND DEGREE: Students may receive both an Associate in Arts and an Associate in Science Degree upon completion of the specific general education and major requirements for each degree as stated in the catalog.

DOUBLE MAJOR: Students may receive a double major upon completion of the major requirements for the second major.

GRADUATION: Students must file an intent to graduate petition in the Admissions Office by the deadline published in the schedule of classes. Students planning to graduate from ECC should have official transcripts from other colleges attended sent directly to the Admissions/Records Office and meet with an academic counselor at ECC to ensure all requirements have been met prior to filing for graduation.

EVALUATION OF DEGREE REQUIREMENTS: Students who want to graduate from El Camino College with an associate degree will be evaluated according to the following conditions:

- 1) Students who have maintained continuous enrollment may choose to graduate under the catalog requirements in effect a) at the time enrollment began at El Camino College or b) in effect at the time of graduation from El Camino College. Continuous enrollment is defined as enrollment at El Camino College at least one semester (fall or spring), excluding summer and winter session, each academic year; courses must be noted on the transcript with a letter grade, a W, or a P/NP designation on the transcript;
- 2) Residency requirement - A minimum of 12-degree applicable units from general education and/or major must be successfully completed at ECC;
- 3) Unit requirement - 60-degree applicable units are required, to include general education, major requirements, and electives;
- 4) General Education requirement - Coursework toward the degree must be completed with a cumulative GPA of 2.0 or higher in work at ECC and in work completed at all colleges;
- 5) English requirement must be completed with a grade of "C" or higher; Mathematics requirement must be completed with a grade of "C" or higher;
- 6) Major requirements must be completed with a minimum grade of "C" in all courses toward the major.

FOREIGN COURSEWORK: Students who have completed coursework outside of the United States may be able to apply course credits to the associate degree. Students need to have the coursework evaluated by an approved evaluation agency first, and then reviewed by an evaluator at El Camino College. Some courses may have to receive departmental approval. See a counselor for approved agencies.

ASSOCIATE DEGREES FOR TRANSFER (ADT): require the CSUGE or IGETC (with communication studies) completion (please see a counselor for the yellow grad petition)
