SSTARS 2011 Recognition Grant Awarded

The SSTARS Recognition Grant has been made possible by generous donations from El Camino College administrators, faculty, staff, students and community members. Thanks to this generous commitment, the SSTARS program has been able to award grants to students each year.

The SSTARS Program established this recognition grant to support students who have demonstrated a commitment to completing their education; and have certain financial hardships that make it difficult to pay for the cost of attending college. This grant is intended to help students reach their educational goals.

The 2011 SSTARS Grants recipients are

Sidikat Giwa	\$500
Adilene Gloria	\$500
Angela Songco	\$250
Esther Songco	\$250
Lacoya Theus	\$250
Lena Yamaguchi	\$250

SSTARS would like to send a special thank you to Michelle Arthur, Mary Beth Barrios, Bernadette Flameno, Kelsey Iino, Brenda Jackson, Victoria Martinez, Elaine Moore, Lisa Perez, Naomi Tokuda, and Clara Weston for assisting with selection of grant recipients.

Fifth Annual Galaxy of the Stars Breakfast Fundraiser

The Fifth Annual Galaxy of the Stars Breakfast Fundraiser took place January 28, 2011 at the Doubletree Hotel-Torrance/South Bay. The keynote speaker was Harold Tyler. This year's event was a huge success and raised \$7,145 for SSTARS grants and other student support needs. SSTARS would like to thank those programs and individuals whose generosity and support helped to make this event a success.

In addition to serving as a fundraiser, the event also recognizes achievements of students who were involved with a SSTARS program during their studies at El Camino College. The following people were inducted into the SSTARS Hall of Fame.

 Angela Funes – EOPS/CARE/CalWORKS
 Ronald Calderon – Counseling/Puente Program
