

Earth Sciences Internship Fair

October 29 at 1:00 in NS Room 206

Learn about paid and unpaid internships in the Earth Science and Climate related fields. Presentations by the El Camino College Job Support Center and Creative Life Mapping (in partnership with the South Bay Workforce investment board) will offer opportunities.

No registration required. Just show up 😊 For more information, or to join the email list for future events, please contact sdifiori@elcamino.edu
