IMPORTANT PROGRAM INFORMATION ON OTHER SIDE

HTP POLICIES

All H courses before 2019 will still be considered fully transferable HTP courses with respect to TAP Certification and HTP Completion forms. However, students should check with a counselor to make sure they are still IGETC certified.

Honors courses without an "H" will have a "T" designation on the transcript. These courses still count for HTP, TAP and IGETC credit.

HTP students must complete **at least one** Honors course each semester, for a total of five Honors courses to complete the program. Students should meet with a counselor to ensure that they take the appropriate courses for their major and transfer institution.

HTP students **must** take an Honors course in the Fall and Spring semesters. Summer and Winter sessions are optional. Students who take an extra Honors course in the Fall or Spring (2 or more) or in Winter or Summer sessions may "bank" that course for a semester (Fall or Spring) when students are unable to take an honors course. Refer to the HTP website on "How to Bank an Honors Course."

ENGLISH 1A

New HTP students are **required** to take English 1A during their first semester in the program, **unless** English 1A has already been completed or has been waived by an AP exam. Taking an Honors section of English 1A is recommended.

The HTP currently offers three English courses, three history courses, and four communication studies courses. However, **no more than two courses in the same IGETC area may count toward the five honors courses required to complete the program.**

CONTRACTS

HTP students who also participate in First Year Experience (FYE) and/or PUENTE programs may establish contracts between faculty for dual credit in certain classes since these students must take a designated Honors course each semester. **Unless** HTP students are currently participating in FYE and/or PUENTE, **contracts are not an option.**
