**Courses without an "H" will have "T" designation on transcript and do count for HTP, TAP and IGETC credit.

***STEM sections designated for science majors in HTP.

**IMPORTANT PROGRAM INFORMATION ON OTHER SIDE**
HTP POLICIES
All H courses before 2019 will still be considered fully transferable HTP courses with respect to TAP Certification and HTP Completion forms. However, students should check with a counselor to make sure they are still IGETC certified.

Honors courses without an "H" will have a "T" designation on the transcript. These courses still count for HTP, TAP and IGETC credit.

HTP students must complete at least one Honors course each semester, for a total of five honors courses to complete the program. Students should meet with a counselor to ensure that they take the appropriate courses for their major and transfer institution.

HTP students must take an honors course in the Fall and Spring semesters, however Summer and Winter sessions are optional. Students who take an extra honors course in the Fall or Spring (2 or more), or take an honors course during winter or Summer sessions may "rollover" that course to fulfill the requirement for the subsequent semester. Refer to the HTP website on "How to Rollover an Honors Course." Course Rollover Forms must be submitted during Weeks 1-3 of the semester. Forms submitted after Week 3 will not be considered.

ENGLISH 1A
New HTP students are required to take English 1A during their first semester in the program, unless English 1A has already been completed or has been waived by an AP exam. Taking an Honors section of English 1A is recommended.

The HTP currently offers three English courses, three history courses, and four communication studies courses. However, no more than two courses in the same IGETC area may count toward the five honors courses required to complete the program.

CONTRACTS
HTP is NOT a contract program. However, certain students who also participate in First Year Experience (FYE) and/or PUENTE programs may establish contracts between faculty for dual credit in certain English classes since these students must take a designated Honors course each semester. Unless HTP students are currently participating in FYE and/or PUENTE, contracts are not an option. A maximum of two contracted courses may count toward the five honors courses requirement.
