

# TRANS GENDER DAY OF REMEMBRANCE

WEDNESDAY, NOVEMBER 20, 2024 | 12 - 2 p.m. | STUDENT SERVICES PLAZA

Join us in honoring and remembering the lives of transgender individuals lost to violence and hate. This event raises public awareness of the hate crimes that continue to affect the transgender community and serves as a space to mourn and pay tribute to those who might otherwise be forgotten.

## PROGRAM INCLUDES

- **Performance by:** Mariachi Lindas Mexicanas
- **Guest Speakers:** Azul Celeste Rodriguez, ECC professor; Cedric-Achilles Sanabria, 2024-25 Gender Sexuality Alliance (GSA) Club president; Dean Jophiel Washington, 2023-24 GSA vice president and 2024-25 GSA CAUSE representative; and Blue Chandler, ECC alum and 2023-24 GSA president

A Transgender Memorial is located outside of the Social Justice Center and will remain on display through November 21. The memorial will feature photos and bios of the lives that were lost to fatal violence against the transgender and gender expansive community in 2024.
