

Meet your PASS Mentor

About Me:

Hi, My name is Arianna Hurtado and I'll be your PASS mentor this semester. I'm an incoming freshmen student athlete to ECC majoring in Nutrition Sciences and competing in cross country and track. My hope for this year is to create a safe space for students so they could feel comfortable enough to get help whenever needed.

Fun Fact:

This will be my 1st year in Southern California. I'm originally from the Central Valley but I moved here to go to ECC. In my free time I enjoy running, lifting, skating, anime, and hanging out with my family.

How I Can Help:

- Become familiar with the student support programs, campus environment, and academic expectations of the ECC college environment
- Organize class materials and prepare for assignments and exams
- Build self-confidence to make mindful decisions, solve problems and succeed academically
