HELLO STUDENTS!

My name is Pierson, but tons of people just call me Pierce! I'm here to help with whatever History needs you may have. I'm very confident in my skills not only to teach History and a few other subjects but also effective study habits, along with how to navigate being a first-time college student

HOW I CAN HELP

- Become familiar with the student support programs, campus environment, and academic expectations of the ECC college environment
- Organize class materials and prepare for assignments and exams
- Build self-confidence to make mindful decisions, solve problems and succeed academically
