WELCOME TO A NEW SEMESTER

## FUN FACT

I have had training from the secret service to be able to identify counterfeit money by inspecting the bill directly.

## HELLO STUDENTS!

My name is William Alegria, and I am a first-generation transfer student attending U.C. Riverside. I am majoring in sociology with the hopes of using my degree to work as a city projects manager.

My hopes are to help create programs for inner-city children so that they can have the resources to prosper both in school and in life.

## HOW I CAN HELP

- Become familiar with the student support programs, campus environment, and academic expectations of the ECC college environment
- Organize class materials and prepare for assignments and exams
- Build self-confidence to make mindful decisions, solve problems and succeed academically
