

# Vision 2030: Pathways to Equity and Economic Mobility in Healthcare

Tuesday, November 7, 2023  
8 a.m. – 3 p.m.

The California Community Colleges Chancellor's Office is proud to host state leaders, legislators, community college peers, and representatives from labor and industry in a day-long summit exploring how innovation in the healthcare industry will transform the earning power of those entering critical careers.

Co-hosted by the El Camino Community College District, this summit will showcase how changes occurring in the healthcare industry are revolutionizing career pathways and increasing earning potential.

## What to Expect

Speakers and panelists will address the economic impact of the healthcare industry, its evolution, and how these changes will transform the future of healthcare in the region.

This event is **FREE** and will include breakfast and lunch.
